<b>Summary</b>	SLS Award / Age Qualifications
----------------	--------------------------------

To all clubs.

Clubs are strongly reminded that members participating in competition **MUST** have the relevant SLS award/age to compete any events.

This is largely pertaining, but not isolated to, junior members, as it has come to our notice that some clubs have allowed junior members to compete in age groups/events beyond their qualification.

Team manager's signoff on entry forms stating that all members are proficient and may be liable if these entries are not true.

Hopefully the SLSNSW entry system we will use for our branch championship will flag any abnormality in members' entries.
