<b>Summary</b>	EOI: 2010/11 15-17 Years Youth Leaders Program
----------------	--

Surf Life Saving Central Coast invites Expressions of Interest for the 2010 Youth Leaders Program. The Youth Leaders Program targets 15-17 year old members who have qualities that can be developed to enhance their future and that of surf lifesaving. It is also geared toward creating greater awareness of opportunities for these members. Potential participants can come from a range of different backgrounds, interests and areas of focus within the club environment.

Unlike previous years, the 2010 Youth Leaders Program will not include a camp, instead be a series of workshops, forums and excursions. A draft timetable will include attending two (2) workshops and at least one (1) excursion. Excursions may include an ex-inmate tour at Maitland Goal, White Water Rafting and High rope adventures (these locations have not yet been confirmed)

Participants will take part in workshops, in addition to physical activities and challenges. The program aims to;

-  Provide basic training in leadership and development
-  Create situations that promote fun learning experiences
-  Raise awareness of current issues, pathways and opportunities
-  Promote teamwork, communication, networking and goal setting
-  Identify the effects of bullying
-  Develop self esteem and confidence in a supportive environment
-  Allow the exchange of ideas between participants and surf lifesaving
-  Gain knowledge of the structure of surf lifesaving and it opportunities

Interested participants are asked to complete the following slip and return to Jake McDonald by **Wednesday 5<sup>th</sup> May 2010**.
